May's BMW Enthusiast: Ryan Reynolds

Ryan Reynolds is more than just an actor with a quick wit, he's also a fervent motorcycle enthusiast. This passion isn't just a passing hobby; it's a significant part of his life as a teen, manifesting in a collection of bikes that displays both his personal style and his appreciation for the art of motorcycle design.

Over the years, he has curated a diverse and enviable assortment of motorcycles, ranging from custom builds to classic models, each with its own story. It's not just about the ride for him; motorcycles are a blend of mechanical mastery and a means of personal expression.

Amongst his collection are an assortment of BMWs from patinaed everyday bikes, to classics, to custom builds. The latest is from Roughchild Motorcycles founder Robert J. Sabel. The Bobber 2.0 started out as a 1988 BMW R100 but is fully customized, and finished in NATO Green with a dusty pink pinstripe.

A CALL FOR ACTION:

Looking ahead to 2026 for Beehive Beemer Officer positions

As some of us learned at April's brunch, Todd Bingham will be stepping down as President of the Beehive Beemers. He has accepted a new position as CEO/President of the Nebraska State Chamber of Commerce and Industry starting immediately, and thus he will be moving within the next couple of weeks.

Therefore, it is imperative that we begin looking for and accept nominations for officer positions within our organization. For the meantime, we can operate with an interim President, but we must hold elections this year to confirm officer positions.

The two open positions that must be filled (officially) are: President and Vice President. If you are interested in stepping into these roles, please reach out to Bryan Cody at utahbeehivebeemers@gmail.com for details.

The current officers are:
President: (open)
Vice President: Kristi Brockman (interim)
Treasurer: Dave Ruster
Secretary: David Gellner
and
Newsletter/Communication: Bryan Cody

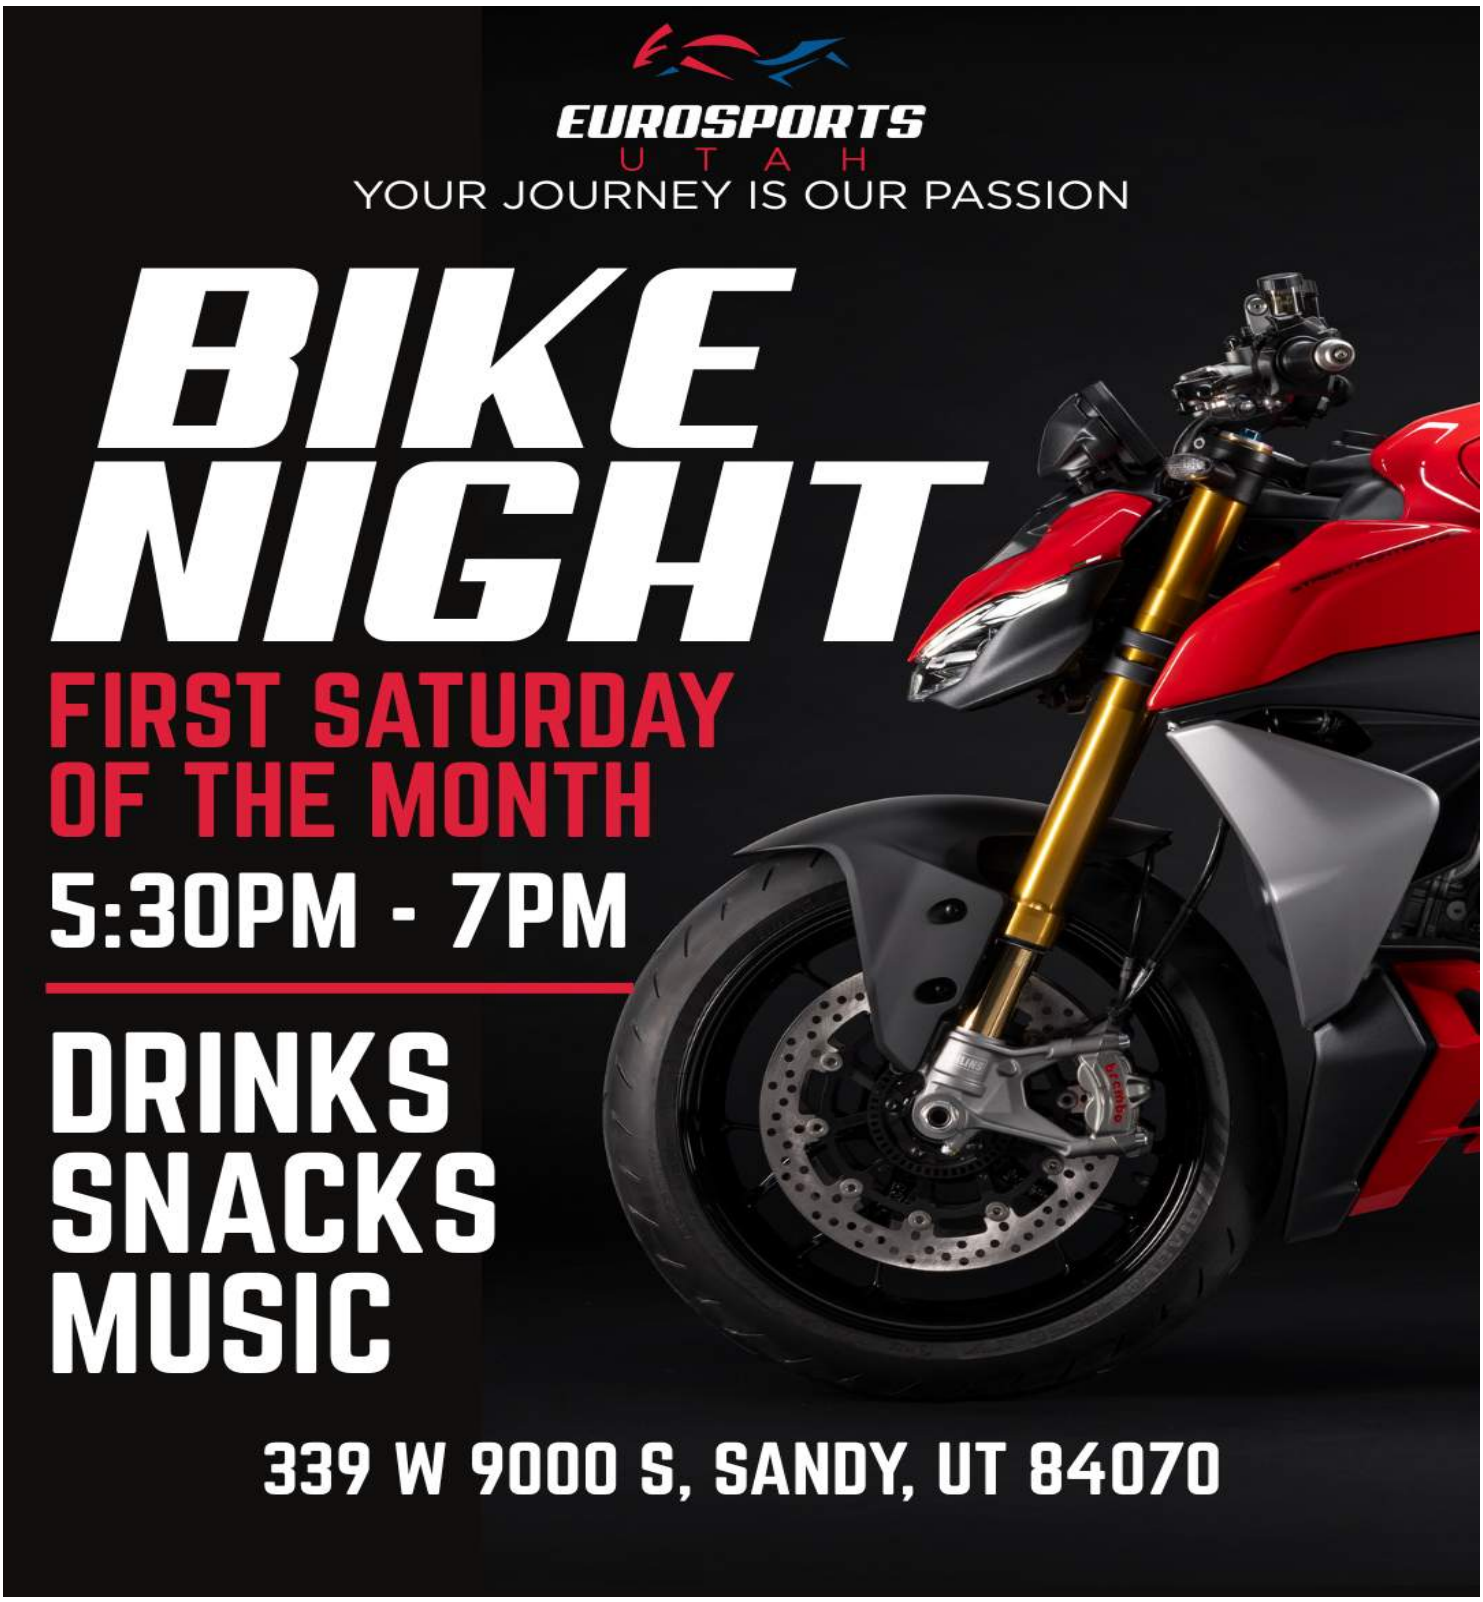

I, Bryan Cody, have committed to doing the Newsletters for 2026, but if anyone is interested in following me for 2027, please also reach out.

The main role of the Presidency is understanding and following the Charter's bylaws and helping the Treasurer maintain the accounts. It would also be helpful for anyone that has experience in organizing group event – as there has been a desire to expand to something more than monthly meetups.

Again, it is incredibly important that we find and elect members into these positions to maintain the status of the club. We must hold elections by this November (announced in December), so please contact us if you are interested.
